

**§ 115C-536. Public School Insurance Fund; decrease of premiums when fund reaches five percent of total insurance in force.**

There shall be set up in the books of the State Treasurer a fund to be known and designated as the "Public School Insurance Fund," which fund hereafter in G.S. 115C-535 to 115C-542 is referred to as "the Fund." In order to provide adequate reserves against losses which may be incurred on account of the risks insured against as provided in G.S. 115C-535 to 115C-542 and to provide payment for such losses as may be incurred therein, there is hereby appropriated to the Fund the sum of two million dollars (\$2,000,000), which shall be paid from and charged to the State Literary Fund as set up and defined in this Chapter. When the reserves in the Fund shall be increased by the payment of premiums by the governing boards of local school administrative school units, or otherwise, to the extent of one million dollars (\$1,000,000), there shall be transferred from the Fund back to the State Literary Fund the sum of one million dollars (\$1,000,000) and when the Fund shall again be increased to the extent of another one million dollars (\$1,000,000), there shall be transferred therefrom back to the State Literary Fund an additional sum of one million dollars (\$1,000,000) in full reimbursement of the sum of two million dollars (\$2,000,000), which is authorized to be transferred from the State Literary Fund by the provisions hereof. All funds paid over to the State Treasurer for premiums on insurance by the governing boards of local school administrative units and all money received from interest or from loans and deposits and from any other source connected with the insurance of the property hereinafter referred to shall be held by the State Treasurer in the Fund for the purpose of paying all fire, lightning, windstorm, hail and explosion losses for which the said Fund shall be liable and the expenses necessary for the proper conduct of the insurance of said property, together with such premiums for reinsurance of such part of said insurance as the State Board of Education may deem necessary to reinsure, as provided for in G.S. 115C-535 to 115C-542. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and 147-69.3.

When the Fund herein provided for reaches the sum of five percent (5%) of the total insurance in force, then annually thereafter the State Board of Education shall proportionately decrease the premiums on insurance to an amount which will be sufficient to maintain the Fund at five percent (5%) of the total insurance in force, and in the event in the judgment of the State Board of Education the income from the investments of the Fund are sufficient to maintain the same at five percent (5%) of the total insurance in force, no premium shall be charged for the ensuing year: Provided, that no building or property insured shall cease to pay premiums until five annual payments of premiums have been made whether or not through such payments the Fund shall be increased beyond five percent (5%) of the total insurance in force, unless such building or property shall cease to be insurable within the meaning of G.S. 115C-535 to 115C-542 within such five-year period.
